

Outdoor Sport Channel® is a unique and leading International 24 hour global sports television network featuring a vast array of outdoor sports, many exclusive. Outdoor Sport Channel's programming is simply unique!. We distribute our programs worldwide (Europe, Russia, North/South and Latin America, Canada, Caribbean, Middle East, Asia and Australia) via (satellite), analogue & digital cable, IPTV-Set-top Box and mobile platforms.

Outdoor Sport Channel® has full 24/7 English/American language programming and includes English voice over and subtitling incase of foreign language programming of Interviews and highlights. Outdoor Sport Channel® also offers its 24/7 programming in different Languages to " localize " its markets.

Outdoor Sport Channel® can be delivered worldwide and directly to any operator. Outdoor Sport Channel® is also available on the channel's own digital set- top box in amazing crystal clear quality.

Every hour we bring you the latest international SKY Sports HD, and other reports, Interviews, previews and highlights via our " live " 24/7 scheduled programming and VOD channel. View also daily previews & highlights from NBA, NBL Basketball, Darts, Golf, all international Football Leagues, Tennis, F1, all Moto Grand Prix, Skiing & Ski jump matches, Cricket, Sailing and all outdoor, action, summer & winter sports.

Global Outdoor Sport Television©2009-2012

Outdoor Sport Channel® offers matches, specials, like, Nokia Ski (snow world cup), F1 and other car racing (It covers Formula 1 to international sports car racing); Dunlop 24h Dubai series: Touring, GT Cars and 24h Specials. The adrenalin-fuelled German DTM to European Formula 3; the American Atlantic Series and the American Le Mans Series; classics such as the Rolex 24 at Daytona, the Sebring 12 Hours and Nurburgring 24 Hours; stories behind the Le Mans 24 Hours and other sports car races; historic car, driver and circuit features; Formula 1 safety, technical and testing features; and a look inside the helmets of grand prix stars - at their homes, lifestyles and recreation.

From September 2009 Outdoor Sport Channel® took the important step in launching its 24/7 Global Wide " Live " TV and separate VOD channels, and it will continue to bring all the best in outdoor sports to your television screen. Sport fans can watch, feel and discover what top line sport, and the people behind it, is all about. Outdoor Sport Channel® will take sport fans behind doors closed to others, as well as showing all the best from sports together with Outdoor Sport Channel's vast film and video archives.

In 2012 we will be bringing you, as usual, only the best outdoor action and latest sports news programming from SKY Sports News HD, Accuweather reports, Red Bull, O`Neil, Nissan, Swatch, Stimorol, Audi, Adidas, Dunlop, Columbia, UCI, WMRT (World Match racing Tour), WOF (World Of Free Sports series), Shimano, Snickers, Scott, PKRA and many others. Mountain climbing, horse riding, balloons, motor sports, world cup cycling, surf, wake board-sport, Trans Alpine Run, Beach Volleyball Cup, marathon, air flight days, cliff diving, drag racing, kart racing, surfing competitions, golf, Skiing, Snowboarding, football leagues, provided by the biggest independent global wide producers and our own production team. We broadcast 24/7 and we are "family & animal friendly"® so no hunting, shooting or any violence programming.

Our target is to become the world`s number one outdoor sport television network on TV!
